

These services listed below are included in my FUNDAMENTALS plan  
(Junior/Senior package)

### What is ArborBridge: (INCLUDED IN PACKAGE)

- [ArborBridge](#)
- ArborBridge is happy to offer each student one free diagnostic practice test for each exam and format. For example, you may request both a practice SAT and a practice ACT for the student. Students who complete an ArborBridge diagnostic exam will also be sent, free of charge, lessons from ArborBridge's proprietary curriculum designed to target specific weaknesses identified in the student's diagnostic exam, as well as an offer for a free 30-minute lesson with a tutor.
- For all the information and frequently asked questions about the ArborBridge offerings, please visit this article [SAT/ACT Resources Module - powered by ArborBridge](#)

### What is Custom College Plan with College Planner Pro: (INCLUDED IN PACKAGE)

- Custom College Plan (CCP) is an online program that helps students manage their college process. It includes thousands of college profiles, information from the Fiske Guide to Colleges, and Google Docs. CCP also allows students to:
  - Research and build their college list
  - Complete assignments
  - Manage deadlines
  - Communicate with counselors
  - Write essays
  - View suggested colleges
  - Record their ACT/SAT scores
  - Keep track of usernames and passwords
  - Update their application progress
  - Access a calendar for important specific dates during the college application and selection process
  - Exchange materials related to the student's college application process
